

WATERFRONT LIFEGUARD COURSE DISPATCH SHEET

PRE-REQUISITE(S): 1.) current and verifiable World Academy of Safety & Health (WASH) pool lifeguard certification

COURSE PURPOSE: This specialty course is designed for participants who will work as a waterfront lifeguard in a non-tidal, open-water environment.

PARTICIPANT COURSE MATERIALS/EQUIPMENT: World Academy of Safety & Health (WASH) Pool Lifeguard Student Manual (free electronic or paid paperback); World Academy of Safety & Health (WASH) Waterfront Student Manual (free electronic or paid paperback); hip pack with CPR pocket mask, basic first aid supplies, whistle and gloves.

CERTIFICATION PERIOD: One (1) year from the date of completion of the certificate with a thirty (30) day grace period to be eligible for a recertification or challenge course (lifeguards should not be considered certified during the grace period).

DELIVERY: Delivered only as an in-person course.

AVAILABLE: English and Spanish

NOTES: The HSI (formerly ASHI) 2020 Basic Life Support (BLS)/First Aid course may be added for those participants who may require certification and/or recertification.
